# HELP PROTECT SEA TURTLES!

When you Take 5, you make a difference for animals such as endangered sea turtles by preventing and removing trash that pollutes our beaches and waterways.

## IT'S EASY TO TAKE 5 FOR TURTLES:

- 1 TAKE 5** seconds longer to scan your area before you leave. Is it clear?
- 2 PICK UP 5** trash items to leave the beach cleaner than it was when you arrived.
- 3 LEAVE 5** items at home. Some things are best kept indoors.
